1/23/2012	JAH	Asked by Doug Campion, Esq. to separate the "numbers called" from the larger notice list and make it available for Gilardi & Co. Because JP Morgan Chase was unsure of who in the list was a co-borrower and who was the primary borrower, there are records with duplicate addresses or duplicate loan numbers. For the purpose of eliminating extraneous notices being sent out by the claims administrator, we need to create a list without those duplicates so that each household only receives one notice.	2.50	625.00
